Information Note

Please, type the date you plan to enter Türkiye to the related field.

The validity period of your e-Visa will begin as of the date you enter Türkiye.

Please note that the validity period is different than the period of stay. The period of stay cannot exceed the duration stated on the left-hand side. If you wish to stay longer, you must apply to your local Police Station for a residency permit.

If you exceed the duration stated on the left-hand side on a single entry without having a residency permit, you may be required to pay fines, deported, or banned from future travel to Türkiye for a period of time.
